38. Howard Eugene ROSE

Acting-Mayor of City – April 17, 1923 – May 3, 1923

(Explanation regarding Rose's brief time as acting Mayor: In the election for the municipal council for the year 1923, Howard E. ROSE was elected as an alderman. In the same election, E. J. LOVELACE was elected mayor. But Lovelace was required to resign as mayor when he was appointed in early April to the position of County Court Clerk and Registrar of the Surrogate Court of the County of Lincoln. At the council meeting of Monday, April 17, 1923 LOVELACE's letter tendering his resignation was accepted by council. In the absence of Mayor LOVELACE, City Clerk PAY took the chair and called for a resolution appointing an Acting-Mayor. Alderman Howard E. ROSE was appointed on the motion of Aldermen BRADLEY and HACKER. Council then set 10:00 a.m. Thursday, April 26 as the deadline for nominations for the election of a new mayor. Current council members who wished to run in the election had to resign from council in order to run. At the nomination meeting held on April 26 the clerk accepted five nominations, those of: Howard E. ROSE, David W. EAGLE, Jacob SMITH, Joseph HODGINS, and J. E. RIFFER. Two of the nominees were existing aldermen, ROSE and RIFFER and they resigned from Council as required in order to run in the election. The election was held on Thursday, May 3, 1923 and Jacob SMITH won the election with Howard ROSE coming in second.

So when LOVELACE ceased to be mayor on April 17, 1923 the City effectively had no mayor upon his resignation. In order to have a mayor, City Council appointed ROSE as acting-mayor, a position he held until he resigned on April 26 to run in the upcoming election, a length of only ten days (if you are to count both part days of the April 17 and April 26), none the less he fulfilled the role of Mayor of our City.)
